Recessional

We are proud to honor two hundred and nineteen (229) students who completed their high school coursework through PHASE 4 Learning Centers this year. Student names appear on the back of this program along with their plans for the future. Ten Percent (10%) of those being honored have chosen to serve their country in the military. Fifty-six percent (56%) have plans to attend college or post-secondary training, and thirty-four percent (34%) are entering the job market.
