

ANNUAL CONFERENCE

With nearly 100 Clubhouses in 20 countries around the world, The Clubhouse Network believes deeply in the importance of professional development for staff, and therefore organizes an Annual Conference for the Clubhouse Community to come together, build skills, share ideas, reflect on experiences and plan for the future. Over 150 Clubhouse Directors, practitioners, and partners from academia, research, government, and the corporate sector typically attend.

The 2016 Annual Conference will be held April 11-13 at the Renaissance Pittsburgh Hotel, with PHASE 4 Learning Center and its 3 Rivers Clubhouse in East Liberty serving as local hosts.

Goals are to:

- Build skills and keep up with new technology.
- Share experiences with others around the Network, in particular with others in similar stages of development.
- Learn about new program opportunities and explore ways to deepen Clubhouse experience for youth.
- Build camaraderie and community across the global Clubhouse Network.

SPONSOR BENEFITS

Sponsors of the Clubhouse Network Annual Conference receive global recognition of their leadership in the field of youth development and STEM/STEAM education, as well as access to corporate partners, policy makers, researchers, and leading practitioners.

For a financial contribution of \$10,000 or more, sponsors receive:

- Organization/company name recognition on printed materials, including programs, bags, etc.
- Brand visibility on conference webpage and conference emails
- Social media acknowledgment on Facebook and Twitter
- Opportunity to include branded item in conference registration packet provided to all participants
